

Puzzle 11: A Dirty Joke

If you were expecting a lewd jest, get your mind out of the gutter! No, this puzzle doesn't contain any salacious humor, but it did end up being a big mess. You see, the original joke I was going to tell has become muddied with all sorts of muck and crud. Each word of the jest has had its letters mixed up with some dirty word. For example, the original word **WHAT** mixed with the dirty word **SOIL** could yield **ALSO** and **WITH**. I've done the best I could to construct a coherent sentence out of the words I ended up with, but it would really be in your best interest to clean everything up and figure out what my original joke was...

BUT eager, ogre
